Re: Pinsky v. JP Morgan Chase & Co.
07 Civ. 3328 (CM)

Dear Judge McMahon:

On March 31, defendant filed a rather bulky summary judgment motion, with approximately 35 exhibits accompanied by a 35 page brief. They received a lengthy extension of time to prepare their papers.

We request that we be allowed until May 16, 2008 to file an opposition.

Defendant consents to this request.

Your courtesy is appreciated.

Respectfully submitted,

Arthur Z. Schwartz
